Rank:	0 i0001j:
Sprint:	

Description

Steps to Reproduce

1. Log in with valid credentials.
2. Proceed through flight booking until the Passenger Details page.
3. In the “First name” field, leave blank or enter any text.
4. In the “Last name” field, enter a numeric value (e.g. 1).
5. Click Next.

Expected Result

The system should validate the “Last name” field and accept only alphabetic characters; users should not be able to proceed with numeric values.

Actual Result

The system accepts a numeric value in the “Last name” field and allows the user to proceed to the next step.
